NEW PRODUCTS

WINE-COLORED REFRIGERATORS

The Vin Nouveau Collection is the new curated line of North-star appliances from **Elmira Stove Works**. The line's retro style is showcased in four new colors, each corresponding to a popular wine varietal. Chenin Blanc is a soft pale beige, reminiscent of apple and pear orchards in bloom; Rosé is a blush hue that evokes thoughts of rose petals; Pinot Noir is a warmly saturated red with undertones of cherry and spices, while Syrah is a deep burgundy, notes the firm. KITCHEN CABINETS

altaeuro by **U.S. Cabinet Depot** features high-performance cabinet construction, elevated storage convenience and innovative drawer design, according to **Keith Wood Company**. Carb 2 compliant, altaeuro currently offers five door styles. Circle No. 193 on Product Card

THERAPEUTIC BATHTUB

Bain De Ville is a new line of therapeutic tubs from **Bain Ultra** tailored for alcove installations, featuring a wider deck, minimalist integrated skirt and deep bathing well. Available in two sizes, the tub has a range of therapy options, including the brand's Thermomasseur technology, the Geysair hot air system, AromaCloud aromatherapy and Illuzio chromatherapy. The acrylic tub is available in a glossy white or biscuit finish or UltraVelour Matte in white. Circle No. 198 on Product Card

FLOOR-MOUNT VANITIES

Stelle Floor-mount vanities from **Wetstyle** are minimalist in design and compact in size. Handcrafted from responsibly sourced hardwoods including oak, walnut, Mozambique and torriified eucalyptus, as well as matte lacquer, the vanities are designed to be used in conjunction with the company's LAB collection washbasins. They are available in a variety of sizes and colors, with or without doors. Circle No. 192 on Product Card

BATH FIXTURE COLLECTION

Laufen commissioned Dutch designer Marcel Wanders to create The New Classic collection for the bath using the company's SaphirKeramik material. The pieces showcase soft curves alongside angular, masculine elements. The line, which reinterprets classical styles, encompasses washstands, washbasin bowls, toilets, a bidet and bathtub, faucets, mirrors and accessories, as well as furniture. Circle No. 194 on Product Card

SHOWER GRATE FINISHES

Now an integral part of the design of the bathroom, shower grates from **Schluter Systems** are being introduced in four new metallic finishes for the company's KERDI-DRAIN point drains: rose gold, vintage gold, classic gold and nickel. These finishes are now available on all four patterns of Schluter point drains - Pure, Curve, Floral and the original grate design. Circle No. 195 on Product Card

FREESTANDING TUB FAUCET

Lenova's FST01SS Freestanding Tub Faucet sports minimalist lines and a sculptural style. Crafted of 304 stainless steel, the faucet has a compact design that consumes little square footage, yet stands 40" tall, with a spout that has an 11-7/8" reach. The faucet has zero lead content and includes a ceramic cartridge. Circle No. 196 on Product Card

WOOD HARDWARE

Designer Doorware's Monte Timber Collection of decorative hardware incorporates American white oak or American black walnut hardwood. The cabinet and lever door hardware is available in a range of sleek silhouettes, including a round knob and an ultra-contemporary blade pull. The raw woods can be stained or prepared to complement or coordinate with other woods in the design. Circle No. 197 on Product Card

VANITY DOOR STYLE

The new Magnolia door style from **Bertch** features a subtle mitered moulding, a slight shift from the popular slab and Shaker door styles. The Magnolia style vanity shown comes as a standard floor model or can be ordered with 4" or 6" tapered wooden legs. A paneled end option in the same style as the door style is also available.

COMPACT HEATED TOWEL RACKS

The Radiant Small is a compact heated towel rack that fits in small spaces. The rack keeps laundry items dry and free of mildew, saves time and energy and reduces laundry loads, according to manufacturer **Amba Products**. The company makes more than 150 affordable heated towel racks.

KITCHEN CABINET LAUNCH

St. Charles New York is launching three distinctive kitchen styles in its St. Charles Collection – each of which is offered in a carefully curated and rich range of finishes, woods, hardware and paint colors. Colors range from whites and soft neutrals, to cools and saturated tones, all available in both gloss and satin finishes. A wide selection of glass options and metal hinges and hardware allow for customization. Interior wood and painted options, and accessories, are also offered.

AFRICAN-INSPIRED TILES

The ceramic tiles of the Namibia collection from **Lunada Bay Tile** are designed to evoke the landscapes of Africa's South Atlantic coastal desert. The three-dimensional designs translate the vistas into four distinctive designs, with each tile handcrafted using a hand-sculpting technique. Shown is Round Ripples in White Sand, which elicits the effect of a worn shell or stone revealed under the windblown sand, the firm states. Tiles are also offered in Dark Silver and Sunset Bronze.

BATH VANITY DESIGN

This bathroom, furnished with **Scavolini's** Tratto collection designed by Vuesse, includes the Titanium Grey matte lacquered wall-mounted vanity unit with glossy finish, Mineralmarmo top and mirror wall panel. The handle grip and Give towel rail, shown in the brass finish, are also available in bronze and silver.

KITCHEN SINK OPTIONS

Ruvati has expanded its Gravena Series of kitchen sinks to include new size options, such as the 33" model and the compact 13" unit. Features such as a decorative stainless steel cover, deep basket strainer and a bottom rinse grid are offered. Gravena sinks are crafted from 16-gauge 304 stainless steel, and smart engineering uses a slanted bottom and drain grooves to channel water towards the drain, which is placed toward the rear for efficient water flow.

OAK CABINET FINISHES

Dura Supreme Cabinetry has added Painted Oak and Quarter-Sawn Oak finishes to its line of standard paint finishes as well as its Personal Paint Match Program finishes and Curated Color Collection finishes. The painted oak finishes include Storm Gray, White, Moonstone, Pearl, Classic White, Latte, Black and Gale Force. The vanity shown is White painted oak.

BLACK & WHITE MOSAICS

Nemo Tile + Stone has introduced Black & White Natural Stone Mosaics in geometric shapes that can be used to create a range of classic patterns. The mosaics are available in four patterns and two colorways – Nero Marquina/Thassos and Carrara/Thassos.
Circle No. 206 on Product Card

TORTOISE SHELL-INSPIRED HARDWARE

The Tortoise shell knob is being added to **Nest Studio's** Fauna Series of decorative cabinet hardware. Founder and Creative Director Jessica Davis believes that the tortoise lends itself naturally to hardware with abstract geometric motifs. Shown in unlacquered brass, the Art Deco-inspired hardware will also come in a verdigris finish, and can also be customized in chrome, nickel and powder-coated colors.

BLUSH FAUCET FINISH

Blush by **THG Paris** represents a harmonious marriage of traditional copper and rose gold. PVD, or Physical Vapor Deposition, is a process that fuses the finish to the product, rather than covering it, creating a long-lasting surface finish with a tactile luster that is resistant to most household chemicals, impervious to metal corrosion, scratch-proof and tarnish-free, according to the firm. Blush is available on THG's handcrafted collections of faucets and accessories.
