Inspired by the constellation Libra, represented by the weighing scales,
this bath collection symbolizes UNIVERSAL BALANCE.

AN ARCH OF LIGHT ON THE HORIZON

LIBRA AURORA 6634

Taking its name from Greek and Roman mythology, Aurora announces the coming of the sun or the dawn of a new day, as color and light begin to illuminate the night sky.

Like a wave of light opening its arch on the horizon, Aurora's shape opens outward as its back rises.

Keeping with the balanced theme of the Libra collection, the perfectly symmetrical design includes a strong upper lip creating a halo like feel and frames the top with a strong and elegant accent.

While you may live in a metropolitan city, you can still enjoy the colors of the Aurora Borealis (Northern Lights) with BainUltra's Illuzio chromatherapy in the bath and feel the light dancing through the water as you enjoy your Hydro-Thermo Massage®.

HARMONIOUS DESIGN

LIBRA OVAL 6635

The Libra Oval is generously sized to accommodate one or two bathers. The raised ends provide comfortable headrests while molded armrests ensure a supremely restful bathing experience.

Libra Oval refined silhouette allows the simple purity of classic design to elevate the entire bathroom into a sanctuary of wellness and relaxation.
