PRODUCT SHEET

BAIN DE VILLE 6632

66" x 32" x 20"

Designed for the urban environment, Bain de Ville immediately brings a touch of modern refinement to any alcove bathroom space. Strong lines, integrated skirt, a wider deck and subtle but purposeful accents make a bold statement.

The specifications shown indicate the outer edge dimension and the inside bathing capacity dimension measured at air jets' height. The manufacturer accepts a 1/4" [0.64 cm] variance. There are variations on each product and specifications are subject to change as we improve upon our product as required. The dimensions needed for site preparation and structure building will differ. BainUltra® assumes no responsibility for preparatory work done prior to the product being on site.
