Bath & turbine*	20 years

Our products must be installed by certified professionals only and according to our Monarch Installation Manual as well as federal, provincial/state and local building codes and regulations ([www.bainultra.com/documentation/documentation](http://www.bainultra.com/documentation/documentation)).

\* Some restrictions apply | [www.bainultra.com/warranty](http://www.bainultra.com/warranty)

The specifications shown indicate the outer edge dimension and the inside bathing capacity dimension measured at air jets' height. The manufacturer accepts a 1/4" [0.64 cm] variance. There are variations on each product and specifications are subject to change as we improve upon our product as required. The dimensions needed for site preparation and structure building will differ. BainUltra® assumes no responsibility for preparatory work done prior to the product being on site.
